INTRODUCTION

I'm James Gikunju Gichohi, a passionate graphic designer and the proud owner of Longdeal Link Company, where we specialize in both Information Technology and Graphic Design. Through my work, I aim to transform ideas into compelling visual stories that are not only aesthetically engaging but also functional and dependable. Whether it's crafting a brand identity, creating marketing materials, or designing digital content, I prioritize simplicity, security, and reliability in every project I undertake.

Let's bring your ideas to life through design!!

SKILLS

Graphics Design

Marketing materials (brochures, flyers, posters.)
Custom logos, branding, and visual identities
Digital assets for web and social media

Web Design

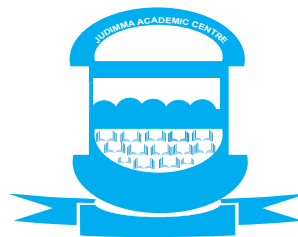

Responsive website design and development
User-friendly interfaces and experience design
Custom landing pages and e-commerce solutions

PORTFOLIO

Over the past two years, I've had the opportunity to create a wide range of designs, and I'm excited to share a few highlights. Below are some of the standout projects I've worked on:

BRANDING AND LOGO DESIGN

Creating unique visual identities for businesses across various industries

PORTFOLIO

MARKETING MATERIALS

Designing brochures, posters, and flyers that helped clients stand out.
